## BULLETIN

## For Your Consideration

Rabbi Mark Dov Shapiro

The boat ride across the Sea of Galilee may have been the highlight of Sinai Temple's recent trip to Israel. It was Thursday, July 5 for our group of 36 travelers. We had visited the Golan Heights that morning followed by touring the city of Sfat and then kayaking on the Jordan River. The group had even celebrated the beginning of the day with a Bat Mitzvah ceremony in the ancient synagogue of Katzrin.

All this was on the printed itinerary. The big surprise came when the group made a last minute decision to go to Tiberias for dinner by traveling on a boat!

The sun was getting ready to set. The hills around the water were beginning to soften as evening approached.

The boat itself had a big open area around which the group members took seats. And then came the surprise:

The Israelis navigating the boat loved music. They especially enjoyed loud recorded music, which they began to play as the boat left the shore. One of the crew grabbed a Middle Eastern tof/drum, placed it between his legs, and began to beat out the rhythm for each infectious song.

Without even realizing it, everyone on board began to clap. A few people got up to dance. Then more began dancing. Then the drummer brought out several drums so that group members could bang away to the music.

It was a magnificent moment. Joyful. Total. It was as if the boat was flying on its own magical path toward Tiberias. The boat ride captured all the emotion and excitement of a perfect day on what was a fabulous experience in Israel.

Of course, lots more took place on our trip to Israel, but the Tiberias evening captured so much of the trip's spirit. The glow still remains with me. I'll have more to say when we all meet for the New Year in a few days.

Meanwhile, my sincere wishes for a New Year that brings all of us sweet and enriching memories. Shana tova - A good year for us, our community, and, most certainly, for our brothers and sisters in Israel.

This year it will be possible to hear live Sinai Temple services by telephone from home or even from a hospital room. Sinai's Caring Community and TRZ Religious Services will be making this wonderful opportunity available.

This service is free of charge to members and will not be limited to the High Holidays. It can also be used to listen in on any service (i.e. Bar/Bat Mitzvah, wedding or funeral) that Rabbi Shapiro and Cantor Mekler lead from the bimah.

### **Allergy-sufferers Request**

Please refrain from excessive use of perfumes and colognes when attending services and events at temple especially on the High Holidays.

Those with allergies can be adversely affected and become uncomfortable when exposed to strong scents.

When purchasing bima flowers for special occasions please be considerate of allergy-sufferers and order only non-scented arrangements.

Thank you so much for your understanding.

## Notes about the Holidays

### Prayers and Blessings for Your Home

Rosh Hashanah and Yom Kippur begin at home with family meals. Your meal can become more than a pleasant dinner by making it a sacred occasion with the appropriate blessings for the holidays. Our website has everything you need in English, Hebrew, and transliteration. [www.sinai-temple.org](http://www.sinai-temple.org)

### Two Rosh Hashanah Morning Services

8:45 a.m. to 10:15 a.m.....11:00 a.m. to 1:20 p.m.

Although the first service is definitely NOT going to be a Family Service, it will be a service that welcomes school age children because it will be briefer. The second service will be identical to our usual holiday morning services with Rabbi, Cantor, and the full liturgy.

### Babysitting for Children through Kindergarten

Babysitting for small children ages two through Kindergarten (no infants) will be available during Rosh Hashanah morning and Yom Kippur morning services. Please contact Stacey Osowski to reserve a spot for your child...736-3619, ext. 13.

### Child Programming for Grades One & Two

An age appropriate program for children in Grades 1 and 2 will be available during both Rosh Hashanah morning services and Yom Kippur morning. (The program is being offered parallel to the first Rosh Hashanah morning service for parents of these young children who do not think the children would feel comfortable even in the shorter first service format of 90 minutes.) Please contact Stacey Osowski to reserve a spot for your child...736-3619, ext. 13.

### Children in Grades Three through Six

On Yom Kippur morning, we will be offering a service designed for this intermediate age group. Too old for a children's program; often too young for the full adult service. More information will follow.

### Are you 18 - 30?

Do you know anyone who is 18 - 30?

I need your help. As Community Coordinator, it is my pleasure to keep the Alum of Sinai Temple connected. I send out different mailings throughout the year to update those 18 - 30 year olds who are at college or on their own. To do this, I need ADDRESSES. Please e-mail me [perlski@verizon.net](mailto:perlski@verizon.net) with a current address. You can also check out our website to send in an address.

Thanks, Stacey Osowski

## From Cantor Emily Sleeper Mekler

What a wonderful summer it's been! I was privileged to attend the annual combined convention for the American Conference of Cantors and Guild of Temple Musicians. I also attended the 18th Annual North American Jewish Choral Festival. Both of these events were held in the Catskills.

The ACC/GTM convention was, as always, professionally and personally enriching with workshops for Cantors, music directors and accompanists; spiritually uplifting daily worship services; delightful nighttime concerts of various Jewish music genres; opportunities for connecting and sharing with colleagues.

I also attended the North American Jewish Choral Festival which is sponsored by the Zamir Choral Foundation under the direction of Matthew Lazar. If you enjoy singing in choruses or choirs, first of all, join the Sinai Temple choir!! Secondly, you should definitely consider attending this annual event held in the Catkills. Attendees are members of volunteer synagogue choirs from across the country and Canada. They/we were pre-assigned to various choruses at the Festival based upon abilities and spent 4 days rehearsing 3 pieces each that were later performed for those in attendance. Guest choruses are invited to perform during the festival. This year special performances were presented, to name a few, by the Zamir Chorales of New York and Boston, a Yiddish Chorale from New York. I was so proud and delighted that Mak'hela, the Western Massachusetts Chorus, was invited to perform. Several members of the Springfield Jewish community are members of Mak'hela, including Sinai's own Bonnie Mikesh. Very special guest star at the Festival was Theodore Bikel, who sang "Edelweiss" from his role as Captain von Trapp in "The Sound of Music" and, in his role as Tevye in "Fiddler on The Roof", he sang "If I Were a Rich Man" Bikel has been a social activist throughout his life and is well known for singing folk songs in various languages, especially Hebrew and Yiddish. He is now 83 years old and is as engaging as ever!

As we look toward our upcoming High Holidays, special thanks are due to Leah and Jerry Gottlieb who generously sponsored the production and shipment of Sinai Temple's High Holiday CD and booklet which you received in the mail. We are also very grateful to Howard Kalodner who recorded the CD of Sinai's accompanist, John Gerry-Karajanes and "yours truly" and designed the layout of the booklet. We hope that it will be helpful to you with learning some of the most common melodies of the High Holiday liturgy that we use at Sinai Temple.

Thank you very much, too, to George Dickstein who helped to make the Yom Kippur Afternoon Musical

The Caring Community of Sinai Temple cordially invites you to attend

**Sinai's Annual Meeting on June 14 was a grand success. Over 100 volunteers were honored.**

Over 50 volunteers sent letters and e-mails to the Roberta Gang, Annual Meeting Chair, telling what they had gained from their volunteer experiences at Sinai. Soon you can read some of their stories on our website. [www.sinai-temple.org](http://www.sinai-temple.org)

## **From Sheila Shear, Director of Education**

*Shalom Chaverim,*

It's finally here! Single Session Sunday is beginning in just a few days. Here are some of the highlights the children of Sinai will experience this month. Many will have an opportunity to learn in Chugim (special interest groups) that they have selected based on personal interest. During Religious School, on September 30, thanks to the generosity of Joan Katz and family, singers and story sellers extraordinaire Renee Brachfeld and Mark Novak will join us for a very special family program. What's more, activities introducing our celebration of Israel @ 60 will take place in a few weeks. In addition, we will be introducing a new program for girls in 6th and 7th grades called "Rosh Hodesh-It's A Girl Thing". If you have a daughter in those grades, she will soon be receiving information about this program made possible by a gift from Daryl and Lynn Schwartz.

I hope you have had a wonderful summer and I am looking forward to seeing you all on Sunday, September 9th. (And don't forget. Our September Family Service takes place Friday night, September 7th. Hope to see you there.)

*Cantor Mekler - continued from page 4*

Interlude possible. George submitted the winning bid at the Community Music School of Springfield on a chamber music ensemble to play for a "private party". Fortunately for Sinai Temple, he decided to share his good fortune with us. Our guests will be the Community Music School of Springfield Faculty Wind Trio: Mary Ellen Miller, clarinet; Joanne Nelson, oboe; and Rebecca Eldridge, bassoon. I hope you will join us in the sanctuary following the Yom Kippur morning service, for a very special way to continue spending the day at the temple.

This coming High Holidays we will be treated to and will join in singing with our Sinai Temple Women's Choir. There will be a couple of other musical cameos during our services. We know they will enhance our worship and the beauty of the High Holiday music.

ALSO, don't forget to call me at the temple (736-3619, ext. 14) about becoming a part of JUST an 8-week commitment of once-a-week rehearsals in preparation for a BIG CHORAL EXPERIENCE on Friday evening, NOVEMBER 30th. Call me right now! Don't delay!

I hope that this New Year, 5758, will be a good and sweet year for you and those you love.

## **You've always wanted to learn Hebrew?**

### **Fall 2007 is your chance!!!!**

The Adult Education Committee is continuing our very successful Hebrew learning from last year. Last year we had over 75 adults learning Hebrew. You're invited now to continue the process. Classes will be offered at different levels and different times starting in October. Please register by filling out the form elsewhere in the Bulletin.

## **Torah Study Saturdays at 9 a.m.**

Why do we call the Torah "a tree of life?" Is it "true?" Is there more to the stories than I recall from when I was a child? How do adult Jews use the Torah as a source of adult values? These are the questions that Torah Study answers every week. During the month of September, we will read the Torah Portion of the week. BUT, starting in October, we'll approach two new topics...

## **Should Sinai Temple Adopt a New Prayer Book?**

### **Saturdays, October 6 & 13 at 9 a.m.**

As the Reform movement introduces a new prayer book called Mishkan Tfilah, Sinai Temple will sample and experiment with the new book. Rabbi Shapiro will offer background and insight into the new book on these two Shabbat mornings in October. To understand what makes a prayer book "tick," please come to Torah Study on October 6 and 13.

## **Why Should God Care What We Eat: Could Being "Kosher" Mean Something New for a 21st Century Reform Jew?**

### **Torah Study on Saturdays in October and November Starting Saturday, October 20 at 9 a.m.**

Ham and cheese. Lobster. Veal. Fruit sprayed with pesticides. Coffee grown by poverty-stricken peasants. Ice cream for dessert after a Shabbat chicken dinner at Temple.

What's kosher? What's not? What's "eco-kosher?"

What's ethical? What's an appropriate way to consume food on planet earth in 2007?

Come join Torah Study for a unique 8-week exploration into the history and meaning of kashrut in Jewish tradition. Why did early Reform Judaism move away

from kashrut? Is it time to think differently about kashrut? What should Sinai Temple's kashrut policy be? Should Sinai even have a kashrut policy?

Come learn and join the discussion this Fall.

## **Adult Bar/Bat Mitzvah Are You Interested in Starting a New Class For A New Year?**

Dear Congregants:

As many of you know, it has been my privilege to work with four groups of men and women who have chosen to become Bar/Bat Mitzvah as adults. I think each group of learners will tell you we had a wonderful time together. We were not attempting to become Harvard graduates. We were only attempting to grow and explore ourselves as Jews. If you are at all interested in helping form another Adult Bar/Bat Mitzvah class that could start meeting this coming spring, please contact me. No commitments. Just call and we can see if it's right for you. Rabbi Shapiro

## **And Coming on October 5 - Starry Nights... Shabbat Services at the Planetarium of the Springfield Science Museum**

Sunday, September 30, 2007, is the date for what is sure to be a new fall tradition for the New England Jewish Community, 5 College Collaborative and bike riders from all parts. UMass Hillel is sponsoring its first annual "RIDE TO PROVIDE" to support the community service programs and environmentally friendly projects of UMass Hillel.

Riders will collect sponsors and pledges to participate in either a 10-mile or 23-mile bike ride through the autumn foliage of Amherst, Hadley and Sunderland, with rest stops and snacks at neighboring Sukkot. The event will culminate with a post-ride festival on the grounds of the UMass Hillel House at 388 North Pleasant Street, Amherst.

People interested in riding, supporting or volunteering for the "RIDE TO PROVIDE" can go online to [www.umasshillel.org/ridetoprovide](http://www.umasshillel.org/ridetoprovide) or call the Hillel office at 413-549-1710.

## Scroll of Life

The Scroll of Life is a work of art in the Oneg Shabbat Room. It was created by Presentations Gallery of New York. The Isaiah quote at the bottom of the Scroll was taken from the Yom Kippur Haftarah as an expression of hope.

The Scroll has space on it so that Sinai members can commemorate either joyous events or memorialize loved ones. Each contribution of a plaque on the Scroll will be used to enrich the life and strength of Sinai. The cost of each plaque is \$200. The inscription may be 3-4 lines with a maximum of 27 spaces per line.

Scenes from Sinai's Trip to Israel

## News for High School Kids!

Shalom,

My name is Andy Chaet and I have accepted a new challenge this year at Sinai Temple.

I will be the advisor for SPFTY(Springfield Federation of Temple Youth). SPFTY is our local chapter of NFTY(National Federation of Temple Youth). Membership is for 9-12 graders who share a desire to broaden their Jewish experience outside the classroom in a more social setting.

SPFTY has had some exciting programming and events. Museum trips and field trips that encourage Tikkun Olam and the act of Tzedekah. There are sleepovers and hayrides. Spfty also lends a hand when Sinai presents a Temple-wide event such as our 75th anniversary gala or Synaplex..

SPFTY also takes part in regional and national conclavettes and dances. We are always well represented and the friendships that are made become strong and lasting.

This new position excites me greatly..I know most of these young adults, as I have had the pleasure of teaching them through the years. This is an enthusiastic group of kids that want to see SPFTY succeed. I am personally aware of the demands put upon teenagers today. This world can be very confusing. All I ask is that your child make every effort to attend our meetings to get an idea of what we are about and what we have planned. This is a chance to reacquaint with me and their friends.

If you have any questions or comments, please feel free to call me at Temple or drop me an email.

Thank you.  
Sincerely,

Andy Chaet

## Sinai has a Community Co-ordinator: Stacey Osowski

We've made a change. As she did last year, Stacey Osowski will be working 15 hours a week leading our Caring Community, our Alumni, public relations, and the various "clubs" we have for young people in our school.

Something has changed, however, in how we define the purpose of Stacey's position. For many years, that position has been referred to as Program Director. As a result of conversations at the Board level and among our staff last spring, we came to the realization that Sinai's goal is not to multiply programs. Sinai's purpose with Stacey's position is to build community within our congregation. Some programs may help build community; simply highlighting our goal of building community may also lead us to think more and more in terms of community.

Therefore, a change in Stacey's title. She'll continue to do fine programming, but we'll bear in mind that our larger purpose is to program for community. As our Mission Statement says, "Sinai Temple is a welcoming and inclusive Reform Congregation... We encourage participation in prayer, life-long Jewish learning, and social justice within a joyful, creative, and compassionate community."

*I have children in college...*

*No longer at home*

*Learning...changing*

*Asking great questions*

The Temple would like to stay in touch with our youngest alumni. They've grown up under our roof. They've begun to learn what being Jewish means.

Now - in the crucial college years - we don't want to lose contact.

Students on the ALUMNI LIST receive the Temple bulletin plus special updates, holiday gifts, and newsletters from the Rabbi.

*Living in Boston*

*Working in Manhattan*

*Still learning...still changing*

Just when they look all grown up is precisely when we don't want to lose contact with these young adults. From ages 22 to 30, they are on the move in thousands of ways. Help us stay in touch!
